## Mission

"We believe that improved health data management is a major foundational pillar of improved patient care. MDS of Kansas is dedicated to high standards and use of best practices in providing health information documentation solutions to clients as well as preparing specialists for the future healthcare documentation industry."

## Historical Background

MDS of Kansas, LLC was formed in 1991 by Donella Aubuchon.

The decision to expand services and educational efforts was made in 2010, and MDS continues to grow and innovate in education with the evolving healthcare industry.

After 22 years of informal training, MDS developed a formal online education program for medical transcriptionists in 2008, currently inactive.

In 2012, educational curriculums expanded and were restructured to include *Medical Transcription/Editing (inactive now)* and *Medical Scribe Specialist*. Online learning accelerated programs for Medical Scribe Specialists (MSS) career training.

## Approvals and Accreditations

Our educational programs are approved by the *Kansas Board of Regents* and are credentialed within our industry – *American College of Medical Scribe Specialists (ACMSS)*.

## Program Prerequisite Skills & Qualifications

**Accelerated Medical Scribe Specialists (MSS).** High School Diploma or GED, previous allied health education/work experience.\*

The working environment for a MSS (medical scribe) may vary according to the type of doctor or facility. The work area is typically well lit and comfortable. A scribe should have strong communication skills, be able to articulate clearly and write clearly so that penmanship is easily understood. MSS' often will communicate with other healthcare professionals and should work well as a team when required.

MSS' will spend time on their feet, walking from room to room while shadowing care providers. The majority of MSS' work in hospitals and in doctor's offices but they may also work in outpatient care centers and labs. Work schedules are similar to healthcare providers that the MSS shadows. This can range from 8 to 12 hours a day. Typically this will be from 40 to 60 hours per week depending on the client. Some MSS' work part-time.

A MSS (medical scribe) is a medical professional that offers services to help a doctor to provide a higher level of care by taking care all of the paperwork that they would normally have to do on their own. MSS' work very closely with doctors or other mid-level practitioners, and thus require a good working relationship with the doctor. This may involve doing other tasks such as personal assistant activities for the doctor/provider.

#### Physical abilities and other skills required:

- Ability to stand or walk for extended periods of time with normal breaks.
- Ability to keyboard efficiently with text and numbers.
- Ability to type a minimum of 50 words per minute, net corrected.
- Ability to multitask, remember and give attention to details.
- English comprehension, spelling, grammar, and usage competency (spoken and written) equivalent to college entry level.
- Intermediate word processing skills: Save, copy, cut, paste, format, etc.
- Intermediate level computer technology skills: Install software, manage files, send and receive e-mails, set up e-mail accounts, and competently research on Internet.
- Normal level of aural acuity.

*\*Certified Medical Scribe Specialists (CMSS) would potentially be required to comply with hospital, clinic, or hiring agency human resource requirements, regulations, policies, and procedures prior to their first working shift in a facility. Such requirements include but are not limited to background checks, PPD skin tests, proof of immunizations, physical examinations, drug screens, security clearance, and facility orientation programs.*

#### Hardware, Software, and ISP Services Required

MSS Courses: Windows-based PC with word-processing, OS of XP, Microsoft Windows 7 or newer, at least 2 GB memory and 100 GB hard drive. Desktop, laptop, notebook or PC tablet. High-speed Internet service. (DSL, cable, satellite). Please provide system specs.

## Allowance for Previous Education and/or Experience

#### Accelerated Medical Scribe Specialists (MSS) Programs

All applicants for accelerated MSS training will submit previous education and experience as part of the application process. Courses are designed for previously licensed healthcare workers who have received education in medical terminology, anatomy and physiology, with work experience in the clinical setting. Registered and certified medical transcriptionists or medical language specialists are eligible for the Accelerated Medical Scribe Specialists programs. Other allied health professions might include medical assistants, CNA, and CPhT.

## Course Descriptions

**Accelerated Medical Scribe Specialists/A-MSS-3:** This 3-month accelerated Medical Scribe Specialists (MSS) course will address preclinical training competencies required for ACMSS Medical Scribe Specialists certification (see below). Through lecture, review, training, and practice of electronic health record (EHR) input and documentation management, students will prepare to assist healthcare providers in a clinical setting with activities of patient medical record documentation. This course requires 13 weeks of home study (approximately 10-12 hours a week). It is recommended that students complete a minimum of 80 hours externship. MDS assists students with externship placement, when possible. This course provides intensive review of medical terminology, study of health information management (HIM) in the electronic health record (EHR) with exposure to general features of EHR software and the Quippe nomenclature, and scribe-relevant HIPAA training and certification.

Students enrolled in the accelerated course will have previous allied health education and experience, meeting preclinical training competencies in basic human anatomy and physiology and medical terminology. These subjects will not be taught in this course. This course prepares student for an externship and pursuit of MSS certification with the American College of Medical Scribe Specialists (ACMSS). Externships are not guaranteed nor required for completion of MDS MSS Training Certificate but may be available to successful graduates of the program through local healthcare providers and systems. Certification by the American College of Medical Scribe Specialists (ACMSS) **requires clinical experience of 200 hours** and board examination testing score of 80% or above. Please see [ACMSS](#) for further details. Certificate of Completion awarded upon successful completion.

## Attendance & Absence Policy

**See Progress and Participation.**

## Progress and Participation

Weekly course work will require student commitment and discipline. Consistent participation in online assessments and assignments will ensure that student completes course successfully and timely. Unit quizzes and scribing tests will provide instructor and student regular assessments of progress. **Participation and attendance in online sessions and assessments is required for completion and graduation of program.**

Notice will be provided to student if active participation of logging in or completing unit assessments is not occurring. See [Incomplete Grades](#).

Personal and family emergencies will be considered on a case-by-case basis and student may be eligible to request course extension, and/or assignment extension. All lessons and assignments are to be submitted when due.

## Incomplete Grades

If a student fails to complete a course and has failed to withdraw from the course, a course grade will be determined based on the submitted assignments. A student may request an extension (see extension policy) and an “Incomplete” status will be assigned to the student until the course or extension is completed, whichever comes first. Students may only re-enter the course one time during a 12-month timeframe. Students should notify instructor when life events or special circumstances create need for extension or withdrawal from the program.

## Tests and Submissions

Tests and submission requirements will be provided at the beginning of each class.

## Institutional Rules (Codes of Operation & Conduct)

All students will commit to enrollment and scholastic honesty. This includes acts of omissions in enrollment application forms or submission of assignments that are not their own. Disciplinary action may be initiated toward students who are found to practice scholastic dishonesty. These acts also include cheating, falsifying previous school records, plagiarism, and/or collusion.

Students may contact Program Instructor, Hattye Trumpower, by e-mail at [instructor@mdsofkansas.com](mailto:instructor@mdsofkansas.com) or by phone at 866-777-7264. E-mail is preferred. If students have an issue with an instructor, they may contact Donella Aubuchon at 316-239-6060 or by e-mail, [DD.Aubuchon@mdsofkansas.com](mailto:DD.Aubuchon@mdsofkansas.com).

Students enjoy the normal civil and academic rights of freedom of speech but are subject to responsibilities and obligations of such. All communications in online sessions, telephone, or e-mail should remain respectful of others.

MDS of Kansas, LLC, will prosecute anyone who shares or gives this program to anyone who has not paid for it—no exceptions.

## Academic Grievance Policy

All attempts are made to grade student assignments fairly and consistently. If a student has an issue with the grading of an assignment, they should first contact the instructor and make known their grievance. If they do not feel the issue has been resolved fairly, they may contact the owner/CEO of MDS of Kansas, LLC, Donella Aubuchon, at [DD.Aubuchon@MDSofKansas.com](mailto:DD.Aubuchon@MDSofKansas.com) or at 316-239-6060.

Unfair grading practices are considered to be a deviation from the standard set forth in the course syllabus or from written guidelines established for the assignment before it is given. If a student feels that they have received unfair grading, they should contact the instructor first. The instructor will explain how the grade was determined within written guidelines or address any adjustment that should be made. The student will then submit a response and proof that the grading was unfair (as defined above). During the business week, a written response will be sent to the student by MDS of Kansas, LLC. If the issue is not resolved, the student may submit a grievance to the [Kansas Board of Regents \(Complaint Procedure\)](#).

## Grading Policy

93-100%	A
85-92%	B
77-84%	C
0-76%	D (Failing)

## Award of Completion/Diploma

Students with a final course grade of 77 or higher will receive a **Medical Scribe Specialists (MSS) certificate of completion** from MDS of Kansas, LLC upon final completion. Registration and certification for Medical Scribe Specialists is bestowed by the American College of Medical Scribe Specialists (ACMSS). See [Certification Policies](#) for details.

## Certification Policies

Graduation from the MDS of Kansas, LLC program does not imply or state certification by the national associations associated with the career choice. Medical Scribe Specialists may sit for certification exam with ACMSS after documentation of training completion and 100 patient encounters. Please see [theACMSS.org/certification/individual-MSS-certification](http://theACMSS.org/certification/individual-MSS-certification) for more details.

## Assistance for Initial Job Placement

Students who maintain an average of 93% in each section of the program will be considered first by MDS of Kansas, LLC, for ongoing employment after a successful practicum. MDS of Kansas, LLC, is not able to guarantee a job to any graduating student but will assist successful graduates in job searching and does give hiring priority to its students as openings are available.

Students who successfully graduate from the MSS program with a 93% final grade will be considered for externships that may be available. MDS of Kansas, LLC coordinates with local physician groups and hospitals to provide externships and hiring opportunities for its student. Again, MDS of Kansas, LLC is not able to guarantee a job or externship to any graduating student.

## Transcripts

One copy of the student transcript will be available to prospective employers and to students upon request and without charge. A \$15 charge will be assessed for additional copies.
