

Volume 1/ Issue 3

Vendor of the Month:

MDS of Kansas, founded in 1991 by Donella Aubuchon, is well known as a premier provider of high-quality medical transcription, serving physician offices, clinics, hospitals, and surgery centers in the Midwest. Ms. Aubuchon's entrepreneurial spirit has led to an outstanding company and expansion into new areas of service in the healthcare documentation industry.

**MDS provides healthcare billing services, medical transcription services, Azalea EHR with narrative integration and education programs for medical scribes.**

With reliability and determination to exceed customer expectations, MDS has built a trusted name in the community.

**WELCOME TO NEXCENTRA HEALTH NETWORK NEWSLETTER**

Summer is just about over and for those of you that have children, that means in just a few more short weeks they will be in school. This can be a very stressful time of the year between enrollment and school supplies. One solution is to use The Amerinet Marketplace and do your shopping online. You can earn Marketplace points to spend later, and you know the Holidays' are just around the corner.

**QUOTE OF THE MONTH**

*"Copy paper is a big expense for us at ProviDRs Care. We are now enjoying a 44% discount on this expense alone by going through NexCentra for our office supplies."*

**Karen Cox, ProviDRs Care, Wichita, Kansas**

**ProvDRs News**

Karen Cox has been named CEO of ProviDRs, a preferred provider organization that is a subsidiary of the Medical Society of Sedgwick County. Karen has been the chief operating officer of ProviDRs since 2009. Karen came to ProviDRs after serving as vice president of sales and marketing for the Kansas Career Pipeline. Karen spent 10 years as vice president of employee benefits at what was then IMA of Kansas and before that was a regional manager for Blue Cross Blue Shield of Kansas for 20 years.

### ***Our model is simple.***

Low annual membership fees in exchange for access to group purchasing programs, group-benefit programs, and other select Preferred Vendor relationships all designed to provide discounts and savings to you while supporting the complexity and challenges of running a private practice. Through this model, we are able to serve thousands of providers across the country leveraging our size and strengths to provide value added benefits to our members.

And best of all... you remain in charge because it's your practice.

## ON THE HORIZON

NexCentra Health's Second Annual Symposium held in October. This is a great time to meet most of the vendors that make up the NexCentra workforce. We encourage you to be watching your emails and newsletters for the exact time and place. Great food, drinks and an absolute great time to just sit back and visit.

## WE ARE HERE FOR YOU

NexCentra is a full service company that is here to fill the office and service products needs of our Clients. We welcome the phone calls for inquiry about NexCentra Health Network services and, of course, any suggestions that you have which will help us improve our operations and customer service delivery. *There is no NexCentra without our Clients and Preferred Vendor Network – we are here to make your busy workday easier.*

Do you know of someone that would like to save on office and medical supplies? Refer them to us – we are here to help.
